Watson Township Planning Commission Motion:

**Regarding the Dog Kennel Special Use Request for Dawn Wieck,
Located at 1871 120th Ave – Hopkins, Mi. 49328.**

Motion to deny Special Use Permit for a Dog Kennel Operation based on the following criteria/conditions.

1. Dawn Wieck resides at the above address house, but is not the Land Owner of the proposed Kennel.
 - a. No temporary occupancy or residency will be considered.
 2. As a Renter or Leasor, it would be difficult to have them be solely responsible or liable for the Kennel Operation, and the compliance of the Special Use Permit.
 3. The history of this Kennel Operation in other communities, and its ability or inability to operate within their ordinances give Watson Township great reservations to take on the possible burden and or costs to monitor and enforce our Ordinances with this operation.
 4. The proposed Kennel Operation would reside in close proximity to about four rural residences, and the operation could impose exposure of undue burden of noise, traffic, and harm to them.
